Preface

Additional Writings of J. N. Darby, vol. 1, is an added volume to the *Collected Writings of J. N. Darby* and is composed of articles, taken from magazines, that are thought not to appear in the collection. If the Lord will, this volume will be followed by another volume.

The title was chosen in order not to conflict with the volume numbering used in the Darby Disk, which uses volume numbers 35 and 36 for a collection of papers found in two books that had been printed by Bible Truth Publishers. If the Lord will, the papers in those books will appear in vol. 2, as well as other papers.

Some spelling has been modernized, some Scripture references have been added in braces { }, and Scripture references have been standardized in order to facilitate indexing.

The reader should keep in mind that various articles herein were not edited and corrected by J. N. Darby.
